v.

C.A. No. 06C-06-254 SCDSears Hardware
Defendant

Conspiracy is defined in THE AMERICAN HERITAGE COLLEGE dictionary; "An agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action".

Part-time employees do not have part-time employee meetings in the Defendant's store and part-time employees are excluded from attending full-time employee meetings in the Defendant's store.

The Plaintiff is 73 years old. His working hours averaged 20 hours a week. He only missed one day of work in four and one half year that he worked in the Defendant's store as a part-time employee.

The Plaintiff has Equilibrium Scoliosis Research. The Research could save lives of Children, Teenagers, Adults and Little Babies. The Defendant did not approve of the Plaintiff asking the people below to help him with his Research. The determination of the Defendant to stop the Plaintiff from asking the people below outweighed the lives of customers the Plaintiff's Research could save in stores owned by the Defendant's Corporation.

Reducing the amount of money that the Plaintiff is earning also reduces the amount of money the Plaintiff needs to contact the people below,

1. The Defendant used the full-time employee meetings to compile Discriminating gossip about how the Plaintiff's age of 73 makes it impossible for the Plaintiff to complete an honest days work.
2. The Defendant used the full-time employee meetings to broadcast the Discriminating gossip to employers throughout Delaware and the surrounding States of Maryland, New Jersey and Pennsylvania.
3. The Defendant used the Discriminating gossip in full-time employee meetings to convince the Defendant's store manager to terminate the Plaintiff's employment on January 18, 2006.

A Conspiracy is going on to stop the Plaintiff's Equilibrium Scoliosis Research from helping the 29,886,804 people living in the United States who have a Scoliosis. The Defendant is stopping the Plaintiff's Research by terminating his employment on January 18, 2006 that reduces the amount of money the Plaintiff needs to contact the people above.

Health Professions agree that people living in the United States are capable of living until they are 100 years old. The 73 years old Plaintiff could live another 27 more years.

The Plaintiff was making \$8.54 an hour and he was working an average of 20 hours a week when the Defendant terminated the Plaintiff's employment on January 18, 2006,

1. The \$8.54 an hour, times 20 hours a week, equals \$170.80 a week.
2. The \$170.80 a week, times 52 weeks a year, equals \$8,881.60 a year.
3. The \$8,881.60 a year, plus 2 percent cost of living raise every year, times 27 years gives a total of Three-Hundred-Twenty-Nine-Thousand-Two-Hundred-Sixty-Dollars (\$329,260.00).

The Plaintiff is asking the Delaware Superior Court to award him Three-Hundred-Twenty-Nine-Thousand-Two-Hundred-Sixty-Dollars (\$329,260.00) from the Defendant, for violating the "Age Discrimination in Employment Act of 1967" in full-time employee meetings, to terminate his employment on January 18, 2006.

Dear Senator Biden,

Sears Hardware, College Square, Newark, Delaware where I work threatened to fire me on December 1, 2005 if I continue to circulate the enclosed PETITION in Delaware that has nothing to do with Sears Hardware.

The threat of Sears Hardware firing me contains a Lifetime Guarantee that nobody will ever employ me in the State of Delaware after Sears Hardware fires me. The Lifetime Guarantee is being broadcasted throughout a variety of organizations and clubs in Delaware.

You were unable to get the National Board of Chiropractic Examiners NBCE to return our test scores that Dr. Jeanne and I passed in 1978.

Find us a legal way to get Chiropractic Licenses in the State of Delaware that does not include us retaking tests we already passed for NBCE and we will Analyze, Diagnose and Prove our EQUILIBRIUM SCOLIOSIS RESEARCH ourselves.
